Introduction – About this guide

Thank you for purchasing courses from an online store by Vubiz. If you have any questions please contact us at: <https://store.onlinelearninghelp.com/>. Whether you have purchased a course for yourself or purchased courses to assign to others, you now have access to own Learning Management System (LMS). If you wish to get started taking a course for yourself, please review this [quick start guide by clicking here](#).

If you have purchased courses that you wish to assign to others or if you are thinking about expanding from a single course purchase, this guide will explain all the functions you will need to get started. Included in this guide is everything you will need to add/manage your learners, assigning courses and generating reports to track progress.

Thank you again for purchasing from us.

Purchasing and Taking a Course Yourself

If you as the facilitator (Purchaser) are taking courses yourself, when you log in after the purchase, you will have the option to automatically assign the courses to your profile. When you log in, the pop up below will show you the courses that have not been assigned to your profile (1) and then give you the option to assign and take the courses yourself (2).

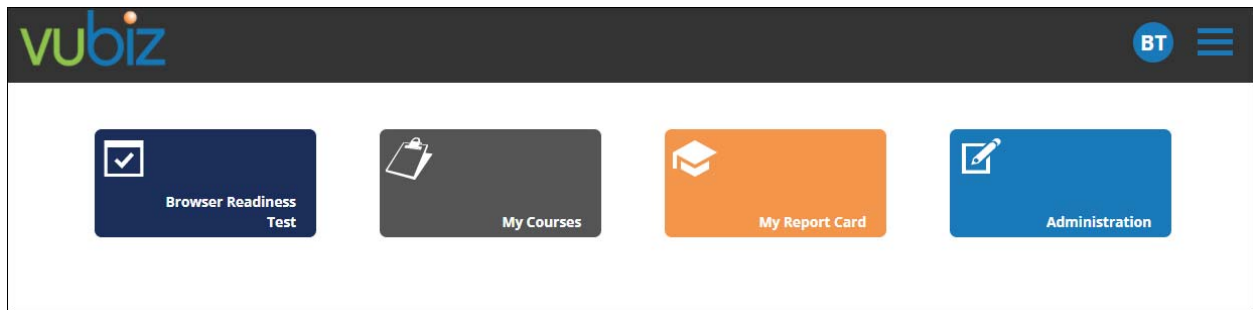

If you are assigning the courses to someone else, select the second option and follow the instructions starting on page 7 with adding a learner.

To access your course, when logging in after the courses have already been assigned, please follow the steps below.

When you click the Courses tab this is what you will see.

My Courses

The My Courses tab is where you will see the courses that have been assigned to you.

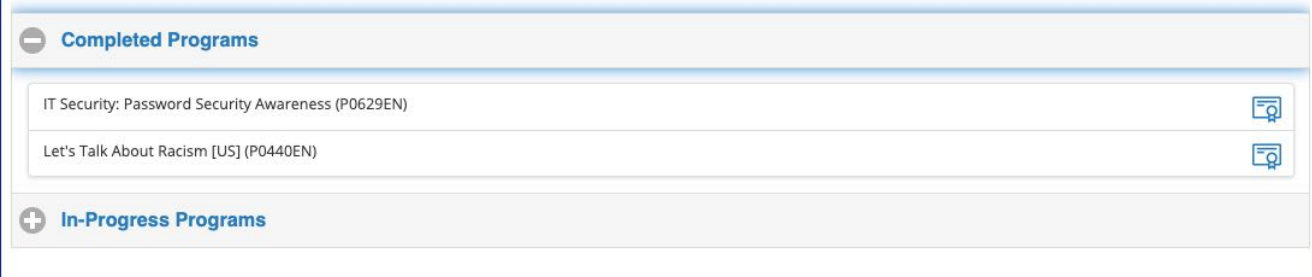

When you click on any of the tiles, you will be launching that course.

My Report Card

This area will show you the course status of what has been assigned to you. If you have completed courses, you will have a link to your certificate from this area.

Under **Completed Programs**, click or tap the program name for details or the icon for certificate. Under **In-Progress Programs**, click or tap the program name for details of the programs in progress.

Administration

This tile takes you in to the Facilitator Services that are outlined in this booklet.

Sign Out

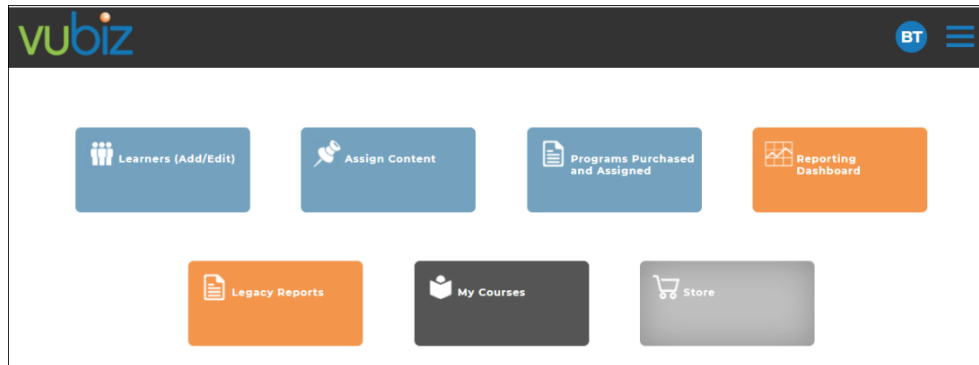

This tile will sign you out of your course profile.

Administration

Click the **ADMINISTRATION** tab to review facilitator services.

If the Administrator Portal doesn't appear please make sure the pop-up was not blocked.

My Profile

My Profile shows you all your information including first visit, last visit and number of visits. This can be found by clicking your initials on the top right.

If you have a large number of learners in your account, you can use the search feature to find that specific learner.

Assign Purchased Content

This area allows you to assign programs that you have purchased to yourself and to your learners.

- 1) The first step is to use the upper table to select the learner(s) that you would like to assign a program to and then use the lower table to select the desired program(s) you would like to assign to the selected learner(s):

Facilitator Guide

First select the Learner(s) that will be assigned Programs

<input type="checkbox"/>	Username	First Name	Last Name	Programs Before	Active?
<input type="checkbox"/>				P0153EN P0222EN P0223EN P0272EN P0278EN P0395EN P0395ES P0395FR P0411EN P0421EN P0440EN P0532EN P0629EN P4280EN	True
<input type="checkbox"/>				P0532EN	True
<input type="checkbox"/>				P0153EN P0272EN P0421EN P0532EN P4280EN P0629EN	True

Next select the Programs you wish to assign to the above Learner(s).

<input type="checkbox"/>	Program Id	Program Title	Purchased	Assigned	Available
<input type="checkbox"/>	P0153EN	Harassment Prevention Training [New York]	3	2	1
<input type="checkbox"/>	P0222EN	Harassment Prevention Training for Employees [California] (SB1343)	1	1	0
<input type="checkbox"/>	P0223EN	Harassment Prevention Training for Supervisors [California] (AB1825)	1	1	0
<input type="checkbox"/>	P0272EN	Forklift Safety	8	2	6
<input type="checkbox"/>	P0278EN	Earthquake Preparedness	9	1	8

2) Click Assign

Then click Assign and the Program(s) will be moved to the Learner(s).
You will then have an opportunity to Commit the assignment(s) or Restart.

Assign

3) The next page that comes up is a confirmation that you are assigning correctly. Click the COMMIT button at the bottom.

***You are about to assign 1 program to 1 learner.
You can now either Restart or Commit.***

NOTE: once content is assigned and committed, it cannot be unassigned!

Restart

Commit

The program (s) now appear in the Programs Before field beside the Learner's name.

Reports

Reporting Dashboard

The Dashboard allows you to see what activity the learner (s) has done. The fields below let you drill down to get the information you want.

The dashboard allows you to view all the learner(s) activity.

- (1) You can adjust the Start and End date of the dashboard
- (2) You can export the report Excel, CSV or Word

You can filter the report information using any of the column filters.

A screenshot of the vubiz Reporting Dashboard. The interface includes a header with the vubiz logo and a user profile icon labeled "BT". Below the header, there are date selection fields for "Start Date" (9/3/2021) and "End Date" (10/3/2021), with a callout "1" pointing to the date pickers. A search bar is present with a callout "2" pointing to the search icon. Below the search bar is a table with columns: First Name, Last Name, Memo, Program Title, Program ID, Last Accessed, Completed, and Score. The table contains two rows of data for a program titled "Coronavirus Preparedness for Employers and Employees" with Program ID "P0395EN", both completed on "Oct 03, 2021" with a score of "0".

Learner Access

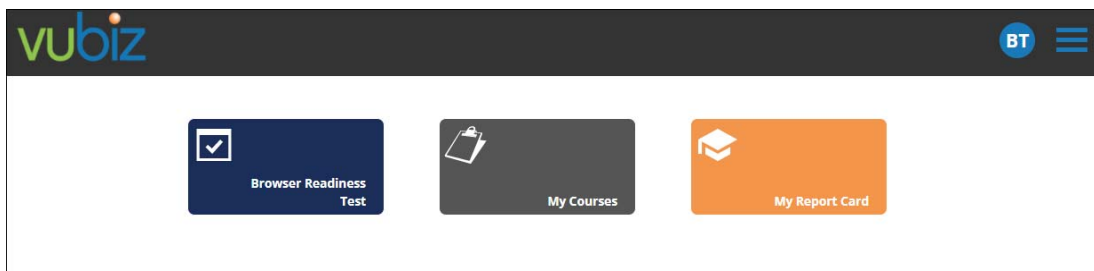

To access profile and training, navigate to the following URL:
